**Re: 2nd Quarterly Status Report  
PCB Remedial Action  
Arsynco, Inc. Site  
Carlstadt, New Jersey**

Dear Mr. Stoller:

In accordance with Section 5 of the USEPA's *Approval for Risk-Based Clean-up/Disposal of Polychlorinated Biphenyl Remediation Waste* for the Arsynco site, which became effective on July 21, 2009 (the "EPA Approval"), the following provides the 2nd Quarterly Status Report of the PCB remedial action at the Arsynco facility.

The following activities have been conducted at the site since the 1st Quarterly Status Report was submitted on October 22, 2009:

- Initial site clearing activities were conducted during the period from December 15, 2009 through January 4, 2010. Above grade areas of Tract 1 of the site were cleared of heavy brush and trees during this time, in preparation for upcoming site work.

Should you have any questions or require additional information regarding this matter please feel free to contact me at (732) 295-2144.

Very truly yours,
